FOX HUNT

The Fox didn't show for the fox-hunt on the 17th of this month. Keith (N9NOF) and myself were all set up at his house waiting for the fox to ID and start the hunt. Larry (KD9IA) was down from the valley to try his skills out. Joe (N9UPU) was also waiting. After some time with no answer from the fox, Joe volunteered to be the fox. So about 15 minutes later we were off after the fox. It didn't take Larry long to find Joe. Joe said it had to do with the fact he was using 2 beams, and we were only using 1. Pretty soon Scott (KB9AMM) checked in and was searching. He managed to arrive before we did, but it wasn't too much longer before we finally found Joe. Even after he discovered he had been operating a little off freq. for a while. Even so a good time was had by all. The next hunt will be Feb 5th at 7:00pm on 147.555 simplex. I guess Keith and I will be the Fox for the next one, due to prior commitments on Larry and Scott's part. If you have never tried foxhunting give it a try. It is a lot of fun. You don't need a lot of equipment for it, an HT will do. Hope to see you on the next hunt.

Siren Test Net

The Brown County office of Emergency Government "Siren Test Net" is held on the 2nd Wednesday of each month at 11:50 AM. The purpose of this net is to test/evaluate the active and inactive status of each of the 36 sirens located in various areas of Brown county. When checking into the NET, if possible, give the site number.

Special Events

The Four Lakes ARC will operate W9JZ 1500Z February 2 to 2400Z February 5 to commemorate the "Ground Hog Capital of the World". Operation will be in the lower General phone portions of the 80,40,20 and 15 meter bands and the Novice 10 meter phone sideband. For certificate send QSL and a 5X9 SASE to W9JZ-ARC-P.O. Box 203, Sun Prairie, WI 53590-0203.

Negaunee Swap Meet

The Hiawatha Amateur Radio Association's annual Swap-meet will start at 8:00 AM on Saturday, February 11. As usual, it will be at the Negaunee Twp Hall, just south of US 41. This event offers everyone a chance to pick up some fine used equipment for low, low prices. Reprinted from "The LANDLINE" 1995

Weather Spotter Training

The ONLY Weather spotter training session this year will be held on Thurs Feb 16, 1995 at Boyle Hall-St. Norberts College, Room 122 from 7-9pm. Everyone is welcome to attend. Jeff Last from the National Weather Service office has a new program set up for spotters this year. All potential spotters are encouraged to attend the training, or reattend if you have already gone in the past, as it is important that you stay up to date. With the new Doppler Radar, the type of info needed to be past in severe weather will be revised, and the meteorologist's need our spotter networks to confirm what they are seeing on the doppler.

This session will help train you to submit correct and pertinent "info" to your local net control operator. The Weather Service uses your reports to issue warning. The knowledge you gain from the training will also help you keep YOUR PERSONAL SAFETY in mind when in the spotters role. Any questions or you need further info contact Lisa N9VJL.

QSO PARTY

The 1995 Wisconsin QSO Party will be held Sunday, March 12, 1995 from noon until 7:00 PM. The WQP is sponsored annually by the West Allis Radio Amateur Club and is known as one of the best QSO parties in the United

States. You don't have to be a dedicated contest operator to enjoy this event. Mark your calendar right away and enjoy the fun!

Badger State Smoke Signals

NETS

Don't forget to turn on the "net" each Wednesday night @ 8:45 P.M. on the 147.12 repeater, along with the bulletins we will also run "newslines" as it has lots of very good information. Also the ARES Net meets every Monday night on 147.36 repeater at 7:00. If you are interested in running the ARES net please contact Lisa N9VJL or Joe N9UPU.

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX

DUES

Your 1995 dues are DUE. You can give them to the Treasurer, Jake, N9DKH, or mail them to the club P.O. Box shown on the front of this Newsletter. Put to the attention of Treasurer. Individual Membership is \$20.00 per person. Each additional family member living at home is an additional \$5.00 each. Novice and Associate members are \$5.00.

NEW NEWSLETTER EDITOR

Effective this month, the Key Clicks has a new Editor. Wes, KA9YAW, is now responsible for producing the Newsletter every month. Suggestions are welcome. Please contact KA9YAW with any club or other pertinent information that needs to be published.

Thanks, Wes KA9YAW (496-5879)

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX

SPECIAL THANKS

The Mike & Key Club wishes to say a special thanks to Ken, N9LSX, for the many years of dedication in editing and producing the Key Clicks every month. Producing the Newsletter takes a time commitment and we thank Ken for making the commitment over the past years. Thanks, Ken!!
